

Steps to sync

1. You must have a Gmail account to sync the homework to your calendar
2. At the bottom of the Homework calendar press the + Google Calendar button.
3. After pushing the button the next screen should lead you to Gmail sign-in or your Gmail calendar if you are already signed into your account.
4. It will pull up that account on your screen and ask if you would like to sync the calendar. Press yes.
5. Now have access to your child's homework on your Smartphone with a direct link to your own Gmail calendar.
